

# FAST FOUR

## game instructions

### GAME RULES

NUMBER OF PLAYERS: 2

- Players must decide who goes first, this person will go second if another game is played.
- Players insert one piece at a time into any column that has an empty space.
- Plays rotate until a player wins or all spots are filled.

### WINNING

- The first player to have four consecutive pieces wins. (Horizontally, Vertically, or Diagonally)
- If all slots are filled without a winner the game ends in a tie.

# FAST FOUR
