

SHUFFLEBOARD

game instructions

GAME RULES

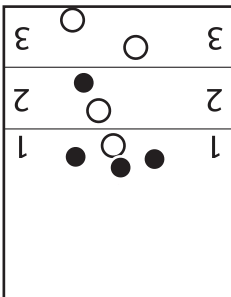

NUMBER OF PLAYERS: 2 or 4

- Players decide who goes first based off a coin flip.
- To play, players alternate turns sliding the pucks to the other side of the board in order to score.
- If your puck falls off the board it does not receive any point.

SCORING

- Only the pucks furthest down the board are allowed to score.
- The scorable pucks are those in front of your opponent
- Each puck that can score receives the value of the area in which it lands.

○ would receive 6 points

● would receive 5 points
