

# TIC-TAC-TOE

## game instructions

### GAME RULES

NUMBER OF PLAYERS: 2

- Each player is assigned either 'X' or 'O'
- Players take turns placing pieces onto the board.
- Only one piece can be in each square.

### WINNING

- The first player with 3 of their pieces in a row wins. (Horizontally, vertically, diagonally)
- If all 9 spaces are filled the game is over. If neither player is able to get 3 in a row the game ends in a tie.
