game instructions

GAME RULES

NUMBER OF PLAYERS: 2 to 4

- 2 groups of 6 buckets in a triangle formation are placed between 15 and 25 ft apart depending on skill level.
- A coin flip is used to determine which team goes first.
- Each player throws one ball
- When a ball lands in a bucket that bucket is removed from play.
- Each team is allowed one re-rack per game.

END GAME

- The losing team can make one rebuff throw per player.
- If the losing team makes all of their shots the game goes into overtime.

OVERTIME-Both teams re-rack triangles of 3 buckets and repeat the game as normal

WINNING

- The first team to eliminate all of their opponents buckets wins.
